Dear Sir or Madam,

Greetings from Weimar, home not only to Goethe, Schiller, Liszt, and the Bauhaus, but also for more than 20 years to Yiddish Summer Weimar, one of the most celebrated summer programs and festivals for Yiddish and related cultures in the world today!

As Artistic Director of Yiddish Summer Weimar, I'd like to call your attention to our unique program. This year we are offering 12 different immersive workshops in language, culture, instrumental and vocal music and dance. Introductory-level workshops focus on the fundamentals of Yiddish language, vocal and instrumental music and dance. Intermediate and advanced workshops will explore this year's special topic, "Ottoman Musical Routes and Roots."

Since this topic may be of interest to you and your community may we ask that you post the enclosed posters of our workshops and the internship announcement in places where they can be seen by students, colleagues, and visitors?

If you need more materials, just email management@othermusicacademy.eu. You are also welcome to post the link to our website and Facebook presence on your electronic bulletin boards or in your newsletters: www.yiddishsummer.eu, www.facebook.com/yiddishsummerweimar

Academic credit for students is available for some courses through our partnership with the University of Music FRANZ LISZT in Weimar.

Thank you very much for your time and attention, and we hope to see you this summer in Weimar!

Yours,

Dr. Alan Bern
Artistic Director, Yiddish Summer Weimar
