

# New Artist Diploma for violinists opening at CNSMD Lyon

The CNSMD Lyon is proud to announce a new collaboration with the Luxembourg Philharmonic Orchestra Academy : a **one-year Artist Diploma** for violinists under the age of 28 having previously completed their Master's programme.

During that year the successful candidate will study half in Lyon, half at the Luxembourg Academy and will be able to enjoy the best of both worlds : **training at the highest level in Lyon** with the conservatoire's professors whilst furthering their **orchestral training with special mentorship in Luxembourg**. There they will take part in orchestral series, chamber music projects and recording sessions as well as receive coachings through mock auditions. The schedule of training at the two institutions will be tailor-made with the successful candidate.

**Free accommodation** in Luxembourg, **health insurance** as well as a **monthly stipend** of 1561€/month are part of the package to better support the successful violinist.

Applications are open until the **9th of February** with auditions taking place on the **24th of March** in Luxembourg.

Further information can be found on the dedicated webpage (in French) : <https://cnsmd-lyon.fr/formations-musique/artist-diploma-violon-tuttiste/>
